NAUTILUS
BEACH & OCEAN HOUSES
MALDIVES

There is a place beyond all bounds,
A refuge across the winds
and the sands and the sea
That is free.

Free from time. Free from pressure.
A place of liberation,
To let go and simply be.

A world of your own making.

An aerial photograph of a tropical reef. The water transitions from deep blue to shallow turquoise. A large boat with a white canopy is anchored in the deeper water. A smaller boat is closer to the reef, with several divers visible in the water nearby. The reef itself is a mix of brown and white patches, indicating coral and sand.

VENTURE FORTH, AND SLIP THE BOUNDS OF TIME

The clock, it binds us. It ticks relentless, marching us forever forward with its unyielding beat.

But what if we were unshackled from its grips? What beauty we might uncover; what freedom we might find.

The Nautilus exists beyond the bounds of time. It is a place where nothing is fixed, and anything is possible.

Where you are free to set your own beat. Free to do – and to be – as you please.

THE FREEDOM TO SIMPLY BE

We drift through life distracted. Driven only by what's in front of us, oblivious to the beauty around us. We spend lifetimes in search of meaning, only to wind up lost along the way.

And as time slips by, we lose touch with ourselves, and with each other.

A celebration of the individual spirit, The Nautilus offers liberation. Freedom unconditional. Space to share, to meet, to be yourself and shape your own personal journey. And, most of all, to celebrate the people you're with, in any way you choose.

Because in the end, it's these simple, elemental pleasures – that ability to simply be – that form the greatest luxury of all.

SPACE TO CALL YOUR OWN

That most elusive desire: total privacy, unimpeded. At The Nautilus, only 26 beach and ocean houses line our shores – each a personal sanctum with its own separate living room and private pool, infusing the comforts of home with a bohemian whimsy that invites you into the barefoot life.

Space to live, to laugh, to share wonderful memories. Space for children to roam free, to explore – or meet other 'young wonderers' on adventures specially designed for kids.

Your connection to the world outside: a private butler service, dedicated to ensuring every element of your house is tailored to you.

A place to mix and mingle, to spend quality time together in perfect privacy.

WHISPERS OF BOHEMIA

With passion for self-expression, a taste for elegance and a touch of trademark whimsy, The Nautilus allows its creative side to run wild.

Colourful textiles and raw, natural materials unite to deliver an atmosphere of endearing warmth and total comfort. Free-flowing spaces designed for living, not showing.

Vibrant expression transforms the mundane into engaging works of art.
