Fact Sheet

COMO Hotels and Resorts celebrates individual spirit. Our properties worldwide are entirely different from each other while sharing respect for exceptional cuisine, meaningful wellness, contemporary design, local culture, environment and service.

We strive to deliver experiences that are unique to you and the country you are visiting, from our city hotels in London, Miami Beach, Perth and Bangkok, to island retreats in the Maldives, Turks and Caicos and Thailand, from wild lodges in Bhutan's Himalayan valleys to resorts in Bali and Italy.

This distinctive COMO approach is what makes our special events stand apart, from high-profile weddings on one of our private islands, to corporate events or incentive trips. Whatever the scale, we obsess about the details, turning ambitious ideas into precious memories worth reliving.

Events at COMO Maalifushi

The private island resort of COMO Maalifushi is located in the turquoise waters of the Maldives' southerly Thaa Atoll, just a 60-minute seaplane flight from Male International Airport, or a 45-minute seaplane flight from sister property, COMO Cocoa Island. COMO Maalifushi is comprised of 65 overwater suites and jungle villas.

The hotel offers three dining options: Madi restaurant serves a selection of international, Maldivian and healthy COMO Shambhala Cuisine; Thila pool and lounge bar specialises in salads, pizzas and wood-baked seafood; Tai serves Japanese-inspired sashimi and sushi and features an ocean-facing cocktail bar.

COMO Shambhala Retreat provides holistic wellness and Asian-inspired therapies, including signature massages, facials and reflexology. Eight treatment rooms, some of them double, are set over the water with views across the Indian Ocean.

Events at Lavadhoo Island

Lavadhoo is a deserted island located less than 10 minutes away from the main island of COMO Maalifushi. This space can be transformed into a private event area where guests can experience life as a luxury castaway from the moment they slip their feet into the sand. Guests can spend time trekking along routes through the island's lush vegetation and exploring the exceptional surrounding snorkelling sites.
